BATIMENT TECHNOLOGIE

A modern kitchen interior featuring a dark, veined granite or quartz countertop and backsplash. The countertop has a prominent, organic pattern of light-colored veins against a dark background. A sleek, dark cabinet is visible below the countertop. In the foreground, a small, cylindrical vase holds a few white flowers. The background shows a kitchen island with a floating shelf holding a few decorative items, and a large window on the right side of the frame. The overall aesthetic is clean, minimalist, and sophisticated.
